### About Stellus Capital Investment Corporation

The Company is an externally-managed, closed-end, non-diversified investment management company that has elected to be regulated as a business development company under the Investment Company Act of 1940. The Company's investment objective is to maximize the total return to its stockholders in the form of current income and capital appreciation by investing primarily in private middle-market companies (typically those with \$5.0 million to \$50.0 million of EBITDA (earnings before interest, taxes, depreciation and amortization)) through first lien, second lien, unitranche and mezzanine debt financing, and corresponding equity investments. The Company's investment activities are managed by its investment adviser, Stellus Capital Management.
