PROXY STATEMENT

2016 Annual MEETING OF STOCKHOLDERS

GENERAL

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Stellus Capital Investment Corporation, a Maryland corporation (the "Company," "we," "us" or "our"), for use at the Company's 2016 Annual Meeting of Stockholders (the "Annual Meeting") to be held on June 28, 2016, at 10:00 a.m. Central Time at The St. Regis Hotel, 1919 Briar Oaks Lane, Houston, Texas 77027 and at any postponements or adjournments thereof. This proxy statement, the accompanying proxy card and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015 are first being sent to stockholders on or about April 25, 2016.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (*i.e.*, authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card, and the Company receives it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specified. This proxy statement is also available via the Internet at www.stelluscapital.com (under the Public Investors section). The website also includes electronic copies of the form of proxy and the Company's Annual Report on Form 10-K. If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares electronically via the Internet or by telephone. This program provides eligible stockholders who receive a copy of the Company's Annual Report on Form 10-K and proxy statement, either by paper or electronically, the opportunity to vote via the Internet or by telephone. If your voting form does not reference Internet or telephone voting information, please complete and return the paper proxy card in the pre-addressed, postage-paid envelope provided.

ANNUAL MEETING INFORMATION

Date and Location

We will hold the Annual Meeting on June 28, 2016, at 10:00 a.m. Central Time at The St. Regis Hotel, 1919 Briar Oaks Lane, Houston, Texas 77027.

Admission

Only record or beneficial owners of the Company's common stock as of the close of business on April 14, 2016 or their proxies may attend the Annual Meeting. Beneficial owners must also provide evidence of stock holdings, such as a recent brokerage account or bank statement.

Purpose of the Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect two directors of the Company nominated by the Company's Board and named in this proxy statement who will each serve for three years or until his successor is elected and qualified;
2. To ratify the selection of Grant Thornton LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016; and
3. To transact such other business as may properly come before the meeting, or any postponement or adjournment thereof.

VOTING INFORMATION

Record Date and Quorum Required

The record date of the Annual Meeting is the close of business on April 14, 2016 (the “Record Date”). You may cast one vote for each share of common stock that you own as of the Record Date.

A quorum of stockholders must be present for any business to be conducted at the Annual Meeting. The presence at the Annual Meeting, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast as of the Record Date will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. On the Record Date, there were 12,479,960 shares outstanding and entitled to vote. Thus, 6,239,981 shares must be represented by stockholders present at the Annual Meeting or by proxy to have a quorum.

If a quorum is not present at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit further solicitation of proxies.

Submitting Voting Instructions for Shares Held Through a Broker

If you hold shares of common stock through a broker, bank or other nominee, you must follow the voting instructions you receive from your broker, bank or nominee. If you hold shares of common stock through a broker, bank or other nominee and you want to vote in person at the meeting, you must obtain a legal proxy from the record holder of your shares and present it at the meeting. If you do not submit voting instructions to your broker, bank or other nominee, your broker, bank or other nominee will not be permitted to vote your shares on any proposal considered at the meeting.

Authorizing a Proxy for Shares Held in Your Name

If you are a record holder of shares of common stock, you may authorize a proxy to vote on your behalf by mail, as described on the enclosed proxy card. Authorizing a proxy will not limit your right to vote in person at the meeting. A properly completed, executed and submitted proxy will be voted in accordance with your instructions, unless you subsequently revoke the proxy. If you authorize a proxy without indicating your voting instructions, the proxyholder will vote your shares according to the Board’s recommendations.

Revoking Your Proxy

If you are a stockholder of record, you can revoke your proxy by (1) delivering a written revocation notice prior to the Annual Meeting to our Secretary, W. Todd Huskinson, at 4400 Post Oak Parkway, Suite 2200, Houston, Texas 77027; (2) delivering a later-dated proxy that we receive no later than the opening of the polls at the meeting; or (3) voting in person at the meeting. If you hold shares of common stock through a broker, bank or other nominee, you must follow the instructions you receive from your nominee in order to revoke your voting instructions. Attending the Annual Meeting does not revoke your proxy unless you also vote in person at the meeting.

Vote Required

Election of directors. A plurality of the votes of the shares of the Company’s common stock present in person or represented by proxy at the Annual Meeting and entitled to vote is sufficient to elect the directors (*i.e.*, the candidates receiving the most “for” votes will win the election). “Withhold” votes and broker non-votes will have no effect on this proposal.

TABLE OF CONTENTS

Ratification of independent registered public accounting firm. The affirmative vote of a majority of the shares of the Company's common stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to ratify the appointment of Grant Thornton LLP to serve as the Company's independent registered public accounting firm (i.e., the number of shares voted "for" the ratification of the appointment of Grant Thornton LLP exceeds the number of "abstain" votes and votes "against" the ratification of the appointment of Grant Thornton LLP). Abstentions will be included in determining the number of shares present and, as a result, will be treated as a vote against this proposal. Because brokers will have discretionary authority to vote for the ratification of the selection of the Company's registered independent public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the shares, there should not be any broker non-votes with respect this proposal.

INFORMATION REGARDING THIS SOLICITATION

The Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing, printing, and mailing this proxy statement, the accompanying Notice of Annual Meeting of Stockholders, and the proxy card. We have requested that brokers, nominees, fiduciaries and other persons holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mail, proxies may be solicited in person and by telephone or facsimile transmission by directors, officers or regular employees of the Company (for which no director, officer or regular employee will receive any additional or special compensation).

The Company has engaged the services of Alliance Advisors LLC (“Alliance”) for the purpose of assisting in the solicitation of proxies at an anticipated cost of approximately \$6,500 plus reimbursement of certain expenses and fees for additional services requested. Please note that Alliance may solicit stockholder proxies by telephone on behalf of the Company. They will not attempt to influence how you vote your shares, but only ask that you take the time to authorize your proxy. You may also be asked if you would like to authorize your proxy over the telephone and to have your voting instructions transmitted to the Company’s proxy tabulation firm.

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A number of brokerages and other institutional holders of record have implemented householding. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement at their addresses and would like to request information about householding of their communications should contact their brokers or other intermediary holder of record. You can notify us by sending a written request to: W. Todd Huskinson, Secretary, Stellus Capital Investment Corporation, 4400 Post Oak Parkway, Suite 2200 Houston, Texas 77027, or by calling (713) 292-5400.

The following table sets forth, as of April 14, 2016, the beneficial ownership of each current director, each nominee for director, the Company's executive officers, each person known to us to beneficially own 5% or more of the outstanding shares of our common stock, and the executive officers and directors as a group.

Shares of common stock subject to options or warrants that are currently exercisable or exercisable within 60 days of April 14, 2016 are deemed to be outstanding and beneficially owned by the person holding such options or warrants. Such shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person. Percentage of ownership is based on 12,479,960 shares of common stock outstanding as of April 14, 2016.

Unless otherwise indicated, to our knowledge, each stockholder listed below has sole voting and investment power with respect to the shares beneficially owned by the stockholder, except to the extent authority is shared by their spouses under applicable law. Unless otherwise indicated, the address of all executive officers and directors is c/o Stellus Capital Investment Corporation, 4400 Post Oak Parkway, Suite 2200, Houston, Texas 77027.

PROPOSAL 1: ELECTION OF DIRECTORS

Our business and affairs are managed under the direction of our Board. Pursuant to our articles of incorporation, the number of directors on our Board is currently fixed at seven directors and is divided into three classes. Each director holds office for the term to which he or she is elected and until his or her successor is duly elected and qualified. At each Annual Meeting, the successors to the class of directors whose terms expire at such meeting will be elected to hold office for a term expiring at the Annual Meeting of Stockholders held in the third year following the year of their election and until their successors have been duly elected and qualified or any director's earlier resignation, death or removal.

Dean D'Angelo and William C. Repko have been nominated for re-election for a three year term expiring in 2019. Both Messrs. D'Angelo and Repko has indicated his willingness to continue to serve if elected and has consented to be named as a nominee. Neither Mr. D'Angelo or Mr. Repko is being nominated to serve as a director pursuant to any agreement or understanding between him and the Company.

A stockholder can vote for or withhold his or her vote for each of the nominees. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominees named in this proxy statement. If any of the nominees should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated by the Board as a replacement.** The Board has no reason to believe that any of the nominees will be unable or unwilling to serve.

Required Vote

This proposal requires the affirmative vote of the holders of a plurality of the shares of stock outstanding and entitled to vote thereon. Stockholders may not cumulate their votes. If you vote "withhold authority" with respect to any of the nominees, your shares will not be voted with respect to the person indicated. Because directors are elected by a plurality of the votes, an abstention will have no effect on the outcome of the vote and, therefore, is not offered as a voting option for this proposal.

The Board unanimously recommends a vote "for" the election of each of the nominees named in this proxy statement.

Board of Directors and Its Leadership Structure

Our business and affairs are managed under the direction of our Board. The Board consists of seven members, four of whom are not "interested persons" of the Company, or its affiliates as defined in Section 2(a)(19) of the 1940 Act. We refer to these individuals as our "independent directors." The Board elects our officers, who serve at the discretion of the Board. The responsibilities of the Board include quarterly valuation of our assets, corporate governance activities, oversight of our financing arrangements and oversight of our investment activities.

Oversight of our investment activities extends to oversight of the risk management processes employed by Stellus Capital Management as part of its day-to-day management of our investment activities. The Board anticipates reviewing risk management processes at both regular and special board meetings throughout the year, consulting with appropriate representatives of Stellus Capital Management as necessary and periodically requesting the production of risk management reports or presentations. The goal of the Board's risk oversight function is to ensure that the risks associated with our investment activities are accurately identified, thoroughly investigated and responsibly addressed. Stockholders should note, however, that the Board's oversight function cannot eliminate all risks or ensure that particular events do not adversely affect the value of investments.

The Board has established an audit committee, a compensation committee and a nominating and corporate governance committee, and may establish additional committees from time to time as necessary. The scope of the responsibilities assigned to each of these committees is discussed in greater detail below. Mr. Ladd serves as Chief Executive Officer, Chairman of the Board and a member of Stellus Capital Management's investment committee and Messrs. D'Angelo and Davis are each a member of Stellus Capital Management's investment committee and a member of our Board. We believe that Mr. Ladd's history with Stellus Capital Management, his familiarity with its investment platform, and his extensive knowledge of and experience in the financial services industry qualify him to serve as the Chairman of our Board.

The Board does not have a lead independent director. We are aware of the potential conflicts that may arise when a non-independent director is Chairman of the Board, but believe these potential conflicts are offset by our strong corporate governance practices. Our corporate governance practices include regular meetings of the independent directors in executive session without the presence of interested directors and management, the establishment of an audit committee and a nominating and corporate governance committee, each of which is comprised solely of independent directors, and the appointment of a Chief Compliance Officer, with whom the independent directors meet without the presence of interested directors and other members of management, for administering our compliance policies and procedures. The Chairman of the Audit Committee or his designee will preside over the executive sessions of our independent directors.

The Board believes that its leadership structure is appropriate in light of our characteristics and circumstances because the structure allocates areas of responsibility among the individual directors and the committees in a manner that affords effective oversight. Specifically, the Board believes that the relationship of Messrs. Ladd, D'Angelo and Davis with Stellus Capital Management provides an effective bridge between the Board and management, and encourages an open dialogue between management and our Board, ensuring that these groups act with a common purpose. The Board also believes that its small size creates a highly

efficient governance structure that provides ample opportunity for direct communication and interaction between our management, Stellus Capital Management and the Board.

Board Meetings

Our Board met six times during 2015. Each director attended at least 75% of the total number of meetings of the Board and committees on which the director served that were held while the director was a member. The Board's standing committees are set forth below. We require each director to make a diligent effort to attend all Board and committee meetings, as well as each Annual Meeting of Stockholders. All of the Board members attended, in person or via teleconference, the Company's 2015 Annual Meeting of Stockholders.

Audit Committee

The members of the audit committee are Messrs. Keglevic, Bilger and Repko, each of whom meets the independence standards established by the SEC and the New York Stock Exchange (the "NYSE") for audit committees and is independent for purposes of the 1940 Act. Mr. Keglevic serves as chairman of the audit committee. Our Board has determined that Mr. Keglevic is an "audit committee financial expert" as that term is defined under Item 407 of Regulation S-K of the Securities Exchange Act of 1934, as amended. The Board has adopted a charter of the audit committee, which is available in print to any stockholder who requests it and it is also available on the Company's website at www.stelluscapital.com. The audit committee met five times during 2015.

The audit committee is responsible for approving our independent accountants, reviewing with our independent accountants the plans and results of the audit engagement, approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal accounting controls. The audit committee is also responsible for aiding our Board in fair value pricing debt and equity securities that are not publicly traded or for which current market values are not readily available. The Board and audit committee utilizes the services of an independent valuation firm to help them determine the fair value of these securities.

Nominating and Corporate Governance Committee

The members of the nominating and corporate governance committee are Messrs. Arnoult, Bilger and Keglevic, each of whom is independent for purposes of the 1940 Act and the NYSE corporate governance regulations. Mr. Arnoult serves as chairman of the nominating and corporate governance committee. The nominating and corporate governance committee met once during 2015. The nominating and corporate governance committee is responsible for selecting, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and our management.

The nominating and corporate governance committee will consider nominees to the Board recommended by a stockholder if such stockholder complies with the advance notice provisions of our bylaws. Our bylaws provide that a stockholder who wishes to nominate a person for election as a director at a meeting of stockholders must deliver written notice to our corporate secretary. This notice must contain, as to each nominee, all of the information relating to such person as would be required to be disclosed in a proxy statement meeting the requirements of Regulation 14A under the Securities Exchange Act of 1934, as amended, and certain other information set forth in the bylaws. In order to be eligible to be a nominee for election as a director by a stockholder, such potential nominee must deliver to our corporate secretary a written questionnaire providing the requested information about the background and qualifications of such person, and would be in compliance with all of our publicly disclosed corporate governance, conflict of interest, confidentiality and stock ownership and trading policies and guidelines.

The nominating and corporate governance committee has not adopted a formal policy with regard to the consideration of diversity in identifying individuals for election as members of the Board, but the committee will consider such factors as it may deem are in our best interests and those of our stockholders. Those factors may include a person's differences of viewpoint, professional experience, education and skills, as well as his

TABLE OF CONTENTS

or her race, gender and national origin. In addition, as part of the board's annual self-assessment, the members of the nominating and corporate governance committee will evaluate the membership of the Board and whether the board maintains satisfactory policies regarding membership selection.

Compensation Committee

The members of the Compensation Committee are Messrs. Repko, Bilger and Arnoult, each of whom is independent for purposes of the 1940 Act and the NYSE corporate governance regulations. Mr. Repko serves as chairman of the Compensation Committee. The compensation committee met once during 2015. The compensation committee is responsible for overseeing our compensation policies generally and making recommendations to the Board with respect to evaluating executive officer performance, overseeing and setting compensation for our directors and, as applicable, our executive officers and, as applicable, preparing the report on executive officer compensation that SEC rules require to be included in our annual proxy statement. Currently, none of our executive officers is compensated by us and as such the compensation committee is not required to produce a report on executive officer compensation for inclusion in our annual proxy statement.

The compensation committee has the sole authority to retain and terminate any compensation consultant assisting the compensation committee, including sole authority to approve all such compensation consultants' fees and other retention terms. The compensation committee may delegate its authority to subcommittees or the chairman of the compensation committee when it deems appropriate and in our best interests.

The following table shows information regarding the compensation received by our independent directors for the calendar year ending December 31, 2015. No compensation is paid to directors who are "interested persons" for their service as directors.

Corporate Governance Documents

We maintain a corporate governance webpage at the “Corporate Governance” link under the “Stellus Capital Investment Corporation” link at www.stelluscapital.com.

Our Corporate Governance Policy, Code of Business Conduct, Code of Ethics and Board committee charters are available at our corporate governance webpage at www.stelluscapital.com and are also available to any stockholder who requests them by writing to our Secretary, W. Todd Huskinson, at Stellus Capital Investment Corporation, 4400 Post Oak Parkway, Suite 2200, Houston, Texas 77027.

Director Independence

In accordance with rules of the NYSE, the Board annually determines the independence of each director. No director is considered independent unless the Board has determined that he or she has no material relationship with the Company. The Company monitors the status of its directors and officers through the activities of the Company’s Nominating and Corporate Governance Committee and through a questionnaire to be completed by each director no less frequently than annually, with updates periodically if information provided in the most recent questionnaire has changed.

In order to evaluate the materiality of any such relationship, the Board uses the definition of director independence set forth in the NYSE Listed Company Manual. Section 303A.00 of the NYSE Listed Company Manual provides that business development companies, or BDCs, such as the Company, are required to comply with all of the provisions of Section 303A applicable to domestic issuers other than Sections 303A.02, the section that defines director independence. Section 303A.00 provides that a director of a BDC shall be considered to be independent if he or she is not an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an “interested person” to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board has determined that each of the directors is independent and has no relationship with the Company, except as a director and stockholder of the Company, with the exception of Messrs. Ladd, D’Angelo and Davis, who are interested persons of the Company due to their positions as officers of the Company and/or officers of Stellus Capital Management, LLC, our external investment adviser.

Annual Evaluation

Our directors perform an evaluation, at least annually, of the effectiveness of the Board and its committees. This evaluation includes an annual questionnaire and Board and committee discussion.

Communication with the Board

We believe that communications between our Board, our stockholders and other interested parties are an important part of our corporate governance process. Stockholders with questions about the Company are encouraged to contact our Secretary, W. Todd Huskinson, at (713) 292-5400. However, if stockholders believe that their questions have not been addressed, they may communicate with the Company’s Board by sending their communications to Stellus Capital Investment Corporation, 4400 Post Oak Parkway, Suite 2200, Houston, Texas 77027, Attn.: Board of Directors. All stockholder communications received in this manner will be delivered to one or more members of the Board.

All communications involving accounting, internal accounting controls and auditing matters, possible violations of, or non-compliance with, applicable legal and regulatory requirements or policies, or retaliatory acts against anyone who makes such a complaint or assists in the investigation of such a complaint, will be referred to our Audit Committee.

The acceptance and forwarding of a communication to any director does not imply that the director owes or assumes any fiduciary duty to the person submitting the communication, all such duties being only as prescribed by applicable law.

TABLE OF CONTENTS

Code of Business Conduct and Ethics

Our code of ethics, which is signed by directors and executive officers of the Company, requires that directors and executive officers avoid any conflict, or the appearance of a conflict, between an individual's personal interests and the interests of the Company. Pursuant to the code of ethics which is available on our website under the "Corporate Governance" link under the "Stellus Capital Investment Corporation" link at www.stelluscapital.com, each director and executive officer must disclose any conflicts of interest, or actions or relationships that might give rise to a conflict, to the Audit Committee. Certain actions or relationships that might give rise to a conflict of interest are reviewed and approved by the Board.

Compensation Committee Interlocks and Insider Participation

All members of the Compensation Committee are independent directors and none of the members are present or past employees of the Company. No member of the Compensation Committee: (i) has had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K under the Securities Exchange Act of 1934, as amended; or (ii) is an executive officer of another entity, at which one of our executive officers serves on the Board.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has procedures in place for the review, approval and monitoring of transactions involving the Company and certain persons related to the Company. As a BDC, the 1940 Act generally restricts the Company's ability to participate in transactions with persons affiliated with the Company, including our officers, directors, and employees and any person controlling or under common control with us.

We received exemptive relief from the SEC to co-invest with investment funds managed by Stellus Capital (other than D. E. Shaw & Co., L.P. and its associated investment funds and affiliated entities) where doing so is consistent with our investment strategy as well as applicable law (including the terms and conditions of the exemptive order issued by the SEC). Under the terms of the relief permitting us to co-invest with other funds managed by Stellus Capital, a "required majority" (as defined in Section 57(o) of the 1940 Act) of our independent directors must make certain conclusions in connection with a co-investment transaction, including (1) the terms of the proposed transaction, including the consideration to be paid, are reasonable and fair to us and our stockholders and do not involve overreaching of us or our stockholders on the part of any person concerned and (2) the transaction is consistent with the interests of our stockholders and is consistent with our investment objectives and strategies. We intend to co-invest, subject to the conditions included in the exemptive order we received from the SEC, with a private credit fund managed by Stellus Capital that has an investment strategy that is identical to our investment strategy. We believe that such co-investments may afford us additional investment opportunities and an ability to achieve greater diversification.

In order to ensure that we do not engage in any prohibited transactions with any persons affiliated with the Company, our officers screen each of our transactions for any possible affiliations, close or remote, between the proposed portfolio investment, the Company, companies controlled by us and our employees and directors.

The Company will not enter into any agreements unless and until we are satisfied that no affiliations prohibited by the 1940 Act exist or, if such affiliations exist, the Company has taken appropriate actions to seek Board review and approval or additional exemptive relief from the SEC for such transaction.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, and the disclosure requirements of Item 405 of SEC Regulation S-K require that our directors and executive officers, and any persons holding more than 10% of any class of our equity securities report their ownership of such equity securities and any subsequent changes in that ownership to the SEC, the NYSE and to us. Based solely on a review of the written statements and copies of such reports furnished to us by our executive officers, directors and greater than 10% beneficial owners, we believe that during fiscal year ended December 31, 2015 all Section 16(a) filing requirements applicable to the executive officers, directors and stockholders were timely satisfied, with the exception of a Form 4 filed three days late on behalf of Paul Keglevic for a June 19, 2015 purchase of shares of common stock.

EXECUTIVE COMPENSATION

Currently, none of our executive officers are compensated by us. We currently have no employees, and each of our executive officers is also an employee of Stelus Capital Management, LLC. Services necessary for our business are provided by individuals who are employees of Stelus Capital Management, LLC, pursuant to the terms of the investment advisory and management agreement and the administration agreement.

**PROPOSAL II: RATIFICATION OF SELECTION
OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee and the Board of Directors of the Company, including the independent directors, have selected Grant Thornton LLP (“Grant Thornton”) to serve as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2016. This selection is subject to ratification or rejection by the stockholders of the Company.

Grant Thornton has advised us that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in the Company or its affiliates. It is expected that a representative of Grant Thornton will be present at the Meeting and will have an opportunity to make a statement if he or she chooses and will be available to answer questions.

The following aggregate fees by Grant Thornton were billed to the Company for work attributable to 2015 audit, tax and other services.

	<u>Fiscal Year Ended December 31, 2015</u>	<u>Fiscal Year Ended December 31, 2014</u>
Audit Fees	\$ 247,290	\$ 216,391
Audit-Related Fees	—	137,270
Tax Fees	—	—
All Other Fees	—	—
Total Fees:	<u>\$ 247,290</u>	<u>\$ 353,661</u>

Services rendered by Grant Thornton in connection with fees presented above were as follows:

Audit Fees. Audit fees include fees for services that normally would be provided by the accountant in connection with statutory and regulatory filings or engagements and that generally only the independent accountant can provide. In addition to fees for the audit of our annual financial statements, the audit of the effectiveness of our internal control over financial reporting and the review of our quarterly financial statements in accordance with generally accepted auditing standards, this category contains fees for comfort letters, statutory audits, consents, and assistance with and review of documents filed with the SEC.

Audit-Related Fees. Audit related fees are assurance related services that traditionally are performed by the independent accountant, such as attest services that are not required by statute or regulation.

Tax Fees. Tax fees include professional fees for tax compliance and tax advice.

All Other Fees. Fees for other services would include fees for products and services other than the services reported above.

Pre-Approval Policy

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by Grant Thornton, the Company’s independent registered public accounting firm. The policy requires that the Audit Committee pre-approve all audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor’s independence. In accordance with the pre-approval policy, the Audit Committee includes every year a discussion and pre-approval of such services and the expected costs of such services for the year.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval at the first Audit Committee meeting of the year must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

AUDIT COMMITTEE REPORT

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States and expressing an opinion on the conformity of those audited financial statements in accordance with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee is also directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm.

Review with Management

The Audit Committee has reviewed the audited financial statements and met and held discussions with management regarding the audited financial statements. Management has represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States.

Review and Discussion with Independent Registered Public Accounting Firm

The Audit Committee has discussed with Grant Thornton, the Company's independent registered public accounting firm, matters required to be discussed by Statement of Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. SAS No. 61, as amended, requires our independent registered public accounting firm to discuss with our Audit Committee, among other things, the following:

- methods used to account for significant unusual transactions;
- the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and
- disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the consolidated financial statements.

The Audit Committee received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by the applicable Public Company Accounting Oversight Board rule regarding the independent accountant's communications with audit committees concerning independence and has discussed with the auditors the auditors' independence. The Audit Committee has also considered the compatibility of non-audit services with the auditors' independence.

Conclusion

Based on the Audit Committee's discussion with management and the independent registered public accounting firm, the Audit Committee's review of the audited financial statements, the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2015 for filing with the SEC. The Audit Committee also recommended the selection of Grant Thornton LLP to serve as the Company's independent registered public accounting firm for the year ending December 31, 2015 and the Board approved such recommendation.
